### Output

The screenshot shows a web browser window displaying the CodeIgniter 4.6.3 welcome page. The URL in the address bar is `localhost/CI4/public/`. The page title is "Welcome to CodeIgniter 4.6.3, Informatika UPJ". Below the title, the text "The small framework with powerful features" is displayed. A section titled "About this page" provides information about the page's generation and location. It includes a code block for the view file (`app/Views/welcome_message.php`) and the controller file (`app/Controllers/Home.php`). The browser interface shows standard navigation buttons and a toolbar.

Welcome to CodeIgniter 4.6.3, Informatika UPJ

The small framework with powerful features
